

An ideal spot would be a flat grass or beach area free of holes or foreign objects with no obstructions or wires overhead. Lay out webbing boundary on the sand or grass to form a rectangle. Attach together to form a rectangle by threading loose end of webbing through other end of each plastic buckle, as pre-attached end is already threaded. Short length go together and long lengths go together to form a rectangle. You will need a tape measure or 60' non stretchable rope to adjust boundary to correct size. Once size is set you should not have to adjust again as long as you apply the same tension each time you set the boundary up. For setup on sand attach plastic sand stake with s-hook to steel ring at each corner of webbing boundary, at each of the four corners. Bury stakes down into the sand at a 45 degree angle to the corner of the boundary. For grass, push down the steel stake into the ground at a 45 degree angle. Do no pull too hard on bungee cord, just enough to get a straight line.

CAUTION: WHEN REMOVING PLASTIC STAKES OR STEEL STAKES FROM THE GROUND ALWAYS GRAB BUNGEE CORD UP CLOSE TO STAKE AND PULL STRAIGHT UP OR DIG OUT OF SAND. USE PLASTIC ROLL UP RACK FOR BOUNDARY STORAGE. THE SUN WILL DETERIORATE THE WEBBING, DO NOT LEAVE OUTSIDE UNLESS IN USE AND NEVER LEAVE OUTSIDE OVERNIGHT, IT CAN BE A POTENTIAL HAZARD. ROPE LINES ON THE GROUND MAY BE TRIPPED OVER, ALWAYS KEEP SMALL CHILDREN AWAY FROM PLAYING AREA, AND INFORM ALL OTHERS OF POTENTIAL HAZARD. ALWAYS USE BUNGEE CORD ATTACHED TO STAKE TO ANCHOR CORNERS. DO NOT ANCHOR THE CORNERS WITH JUST THE STAKE ALONE.

LIMITED WARRANTY

West Coast Netting warrants this product to be free from defects in material and workmanship under normal conditions for a period of 90 days from date of original purchase. If within said period any part is found to be defective, the part will be repaired or replaced to the original purchaser.

SERVICE

Customer service is available in the continental U.S. by following the proper procedure as outlined below:

IN-WARRANTY SERVICE: If it has been determined that there is a problem with any part of the system, the purchaser should call WCN for authorization and then return the part with copy of proof of purchase, freight prepaid to: West Coast Netting, 5075 Flightline Dr, Kingman, AZ 86401. Under the terms of the warranty the part will be repaired or replaced and returned freight prepaid to the purchaser.

OUT-OF-WARRANTY SERVICE: If, after the warranty period has elapsed and a problem has developed with the system, the purchaser should call WCN for authorization and then return the part freight prepaid. The part will be repaired or replaced and returned to the purchaser C.O.D. unless other payment has been arranged.

LIABILITIES AND LIMITATIONS

Unless specifically prohibited by state law, West Coast Netting assumes no responsibility for personal injury or property damage resulting from the playing of net games, product not installed pursuant to instructions, consumer misuse, consumer negligence or an act of God; and in such event, any and all expressed or implied warranties are void. Damaged materials are assumed to be caused by consumer negligence and charges will be made for repair or replacement. All implied warranties are limited to the term of the express warranties as set out and shall not exceed 90 days on webbing boundary from date of purchase.
